WOODRIDGE DIVISION No. 8

All of the lots in Woodridge Division No. 8 shall be designated as "residence lots." A building site shall consist of at least (a) one such resident lot or more as shown on said plat herein, (b) a parcel composed of such resident lots or portions thereof, the depth and frontage of which parcel shall equal or exceed the depth and frontage of the lots in the immediate vicinity in the same block.

No building or structure shall be erected, constructed, maintained or permitted upon the property of Woodridge Division No. 8 except upon a building site as hereinabove defined, and no building or structure shall be erected, constructed, maintained or permitted on a building site, other than a single, detached dwelling house, except that appurtenances to any dwelling house, such as private garages, garden houses, pergolas, conservatories, or similar structures, architecturally in harmony therewith and of permanent construction, may be erected within the building limits hereinafter set forth.

No building may be erected on any of the said building sites containing less than 1400 square feet of floor area exclusive of garages, garden houses and other appurtenances mentioned above. No building of the Daylight Basement or Tri-Level types may be erected on any of said building sites containing less than 1,200 square feet of floor area on any one level, exclusive of garages, garden houses and other appurtenances mentioned above. However, in the case of a two story house, and in such case the minimal ground floor area as herein defined) shall be not less than 1,000 square feet.

No dwelling shall be permitted on any lot at a cost of less than \$17,000.00 based upon cost levels prevailing on the date these covenants are recorded, it being the intention and purpose of the covenants to assure that all dwellings shall be of a quality of workmanship and materials substantially the same or better than that which can be produced on the date these covenants are recorded at the minimum cost stated herein for the minimum dwelling size.

In no case shall any ridge or peak be more than 25 feet above the high point of the finished grade of said lot. No dwelling house or any part thereof or any other structure, except as herein specified, exclusive of fences and similar structures shall be placed nearer than 20 feet to or from the street line of the building site on which it is located, measured at the closest point of said structure to the said front or street line, nor shall any building or structure be placed closer than 5 feet to any lot side line. Garages shall be attached to the houses whenever possible. No dwelling shall be located on any interior lot nearer than 25 feet to the rear lot line. No building shall be located on any lot nearer than 20 feet to the front line nearer than 10 feet to any side street line.

All buildings to be erected in Woodridge Division No. 8 shall be approved by the R & C Corporation.

As to all improvements, construction and alteration in Woodridge Division No. 8, the said company shall have the right to refuse to approve the design, finishing or painting of any construction or alteration which is not suitable or desirable in said addition for any reason aesthetic or otherwise, and in so passing upon such design, the R & C Corporation shall have the right to take into consideration the suitability of the proposed structure and of the material of which it is to be built to the site upon which it is proposed to erect the same, the harmony with other dwellings therein with the surroundings and the effect on the outlook of the adjacent or neighboring property and any and all other factors which in their opinion shall effect the desirability or suitability of such proposed structure, improvements or alterations.

The R & C Corporation approval or disapproval as required in these covenants shall be in writing. In the event the R & C Corporation or its designated representative, fails to approve or disapprove within 50 days after plans and specifications have been submitted to it, or in any event, if no suit to enjoin the construction has been commenced prior to the completion thereof, approval will not be required and the related covenants shall be deemed to have been fully complied with.

No building or structure shall be moved onto any land embraced in said plat from any land outside of said plat, except a new prefabricated structure, of a kind and type approved as stipulated. No building of any kind shall be erected or maintained on a building site prior to the erection of the dwelling house thereon. No trailers shall be kept upon said property except in side of garages.

The work of construction of all buildings and structures shall be prosecuted diligently and continuously until such building and structure are fully completed and painted. All structures shall be completed as to external appearance, including finished painting, within 6 months from the date of commencement of construction, unless prevented by causes beyond the owners control.

No noxious or undesirable thing or undesirable use of the property shall be permitted on said property or in said addition.

No trash, ashes or other refuse may be thrown or dumped on any lot of said addition.

No fowl or animal other than song birds (2) dogs or (2) cats shall be kept upon any of the property in said Addition.

Driveways shall be blacktopped from street edge to property line by builder of residence.

All bathroom, sink and toilet conveniences shall be inside of house or building and shall be connected by underground pipes with a private septic tank of a depth and type of construction approved by King County and State of Washington Health Authorities. The drains from said septic tank shall be kept within the building limits of each tract as hereinabove described.

The effluent from septic tanks shall not be permitted to discharge into a stream, storm sewer, open ditch or drain, unless it has first passed through an absorption field approved by the health authorities. The following must be approved by E. A. Van Etten, Sr.: (1) Method of disposing water from roof gutter down spouts and footing drains; (2) Installers of Septic Tank drain fields.

No sign of any kind shall be displayed to the public view on any lot except one professional sign of not more than one square foot, one sign of not more than five square feet advertising the property for sale or rent, or signs used by a builder to advertise the property during the construction and sales period.

No individual water-supply system shall be permitted on any lot unless such system is located, constructed and equipped in accordance with the requirements, standards and recommendations of Washington State Health Authorities. Approval of such system as installed shall be obtained from such authority.

No individual sewage-disposal system shall be permitted on any lot unless such system is designed, located and constructed in accordance with the requirements, standards and recommendations of the King County Sanitation Department. Approval of such system as installed shall be obtained from such authority.

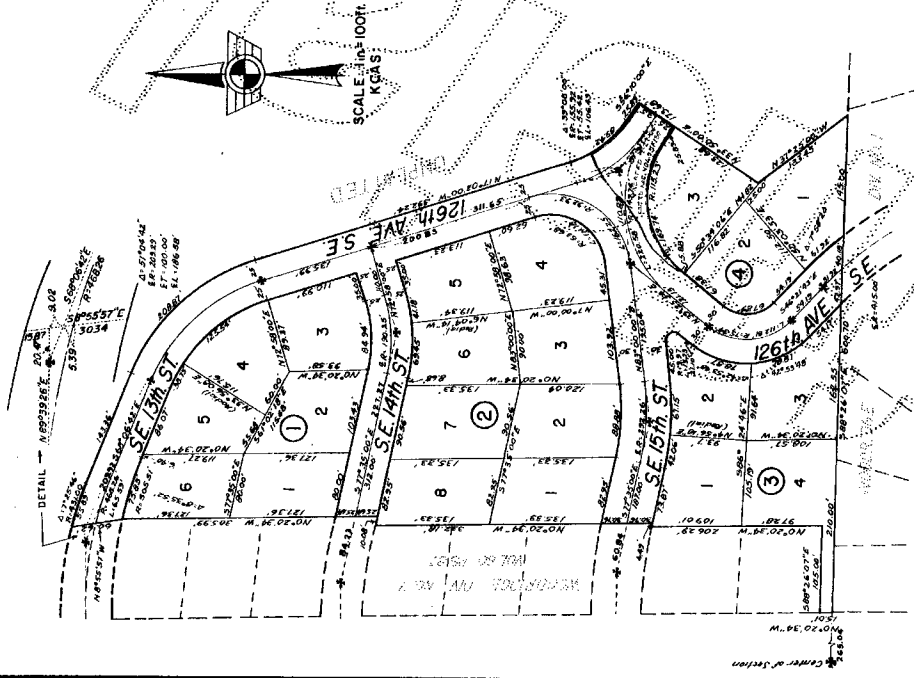

These restrictive covenants shall run with the land and shall be binding upon all parties hereto and all persons claiming under them until June 1, 1975, at which time said covenants shall be automatically extended for subsequent periods of ten years unless the owners of said lots, by a majority vote, agree to change said covenants in whole or in part.

If the parties hereto, or any of them or their heirs, executors, administrators or assigns shall violate or attempt to violate any of the provisions of these restrictive mutual easements of Woodridge Division No. 8, King County, Washington, it shall be lawful for any other person or persons owning any real property situated in Woodridge Division No. 8, King County, Washington, to prosecute any proceedings at law or in equity against the person or persons violating or attempting to violate any of these provisions, either to prevent them from so doing or to recover damages or other compensation for such violation. Invalidation of any one of these covenants, by judgment or court order shall in no wise affect any of the other provisions which shall remain in full force and effect. These restrictive mutual easements shall be deemed to be fully and sufficiently described or incorporated in any instruments or covenants by designation and referring to the same as the "protective mutual covenants of Woodridge Division No. 8."
